

REQUEST FOR COUNCIL ACTION

Date: 5/14/2012
Item No.: 11.b

Department Approval

City Manager Approval

Item Description: Consider Extending working hours for the 2012 Pavement Management Project

BACKGROUND

Valley Paving is the City's Contractor for the 2012 Pavement Management Project. This project is currently underway and includes the mill and overlay of West Snelling Service Drive between Roselawn Avenue and County Road B. We have received a variance request from the contractor to allow night work to complete this work. W. Snelling Service Drive is a heavily traveled road. It will be difficult to perform the street maintenance work and maintain access to the businesses located between Skillman Avenue and County Road B. The variance is intended to reduce inconvenience for property owners and the travelling public.

The requested variance is to City Code Section 405.03 HOURLY RESTRICTIONS OF CERTAIN OPERATIONS which permits construction activities to occur between the hours of seven o'clock (7:00) a.m. and ten o'clock (10:00) p.m. on any weekday, or between the hours of nine o'clock (9:00) a.m. and nine o'clock (9:00) p.m. on any weekend or legal holidays. The Contractor is seeking a variance to complete the work during the month of May or June over a period up to three nights.

A variance to this section of code requires a Public Hearing before the City Council, per code section 405.04. We have mailed out Public Hearing notices to all properties within 350 feet of the corridor. Any comments that we receive will be shared with the City Council as a part of the Public Hearing.

POLICY OBJECTIVE

The Contractor is working to limit the traffic disruption necessary to complete this project. They are asking for the variance so that they can reduce the inconvenience for the public.

FINANCIAL IMPACTS

There is no direct financial impact to the City of Roseville. However, completing these segments during normal working hours will impact area businesses, the travelling public, and the finished product.

STAFF RECOMMENDATION

Approve the variance as requested.

REQUESTED COUNCIL ACTION

Approve the variance to extend the working hours for the 2012 Pavement Management Project
