

## Twin Lakes Open House and Public Input Meeting # 3

The City of Roseville invites everyone to an open house meeting related to the continuing planning process for Twin Lakes. The City Council's discussions over recent months have yielded a draft rezoning of all properties in Twin Lakes as well as a change in the comprehensive plan's general land use guidance for the Twin Lakes parcels currently guided for high-density residential development.

This open house meeting is an important source of feedback from the community and is a required step in the process of seeking City approval for the proposed comprehensive plan and zoning map changes. A summary of the comments and questions raised at the open house meeting will become part of the formal application.
