## **POLICE SEEKING HELP IN LOCATING BANK ROBBERY SUSPECT**

The Roseville Police Department and Federal Bureau of Investigation is seeking the public's help identifying and locating the person responsible for the Friday, January 8, 2016 robbery of Guarantee Bank, located inside the Cub Food grocery store, 1201 Larpenteur Avenue.

Police were called to Guarantee Bank at 6:11 p.m. on a hold-up alarm. Officers determined a lone suspect had entered the bank, approached a teller window, handed an employee a handwritten note demanding money and implying he had a gun. The teller provided the suspect an undisclosed amount of currency. Once the suspect had possession of the cash, he exited the bank through the east Cub Food grocery store's exit.

Once outside, a bank cash dye pack exploded staining the stolen money with a red dye.

According to witnesses, the suspect was seen picking up a portion of the dyed money and entering the front passenger seat of SUV which traveled west through the grocery store parking lot and south onto Fernwood Avenue towards Larpenteur Avenue.

The robbery suspect is described as a dark complected black male, approximately 25-32 years of age, thin build, 140 pounds, 5'7" – 5'9" in height wearing a brown jacket with hood, black gloves, black pants and black Nike Air Force One shoes.

Should you recognize and/or know the whereabouts of the robbery suspect do not approach but call law enforcement authorities by dialing "911".

If anyone has any information on this person, they are asked to contact Minnesota Crime Stoppers at 1-800-222-8477 or text-a-tip – Text "Tips674 plus your tip" to 274637 (CRIMES). You may report your information confidentially and anonymously.

If your information does result in an arrest you may be eligible for a reward.
