Roseville Park Design Inventory

11/3/2010	Constellation																				
component	a	b	c	d	e	f															
park	Sandcastle	St. Anthony Central	Langton Lake	Oasis	Applewood	Ap. Overlook	Autumn Grove	Cottontail	How. Johnson	Veteran's	Skating Center	Memorial	Valley	Owasso Fields	Lake Josephine	Ow. Hills	Ladyslipper	Mapleview	Woodhill	NHLC School	Materion
Field areas																					
open play area (unprogrammed)																					
programmable field area (baseball, soccer)																					
skating rink/hockey																					
court games area																					
multiple programmable fields																					
tennis court																					
aggregated athletic fields (programmed)																					
indoor ice sheet																					
golf course																					
disc golf course																					
specialty sport facilities																					
Play structures																					
play structure for up to 20 kids																					
play structure for 20-30 kids																					
play structure for 30+ kids																					
climbing feature																					
splash pad																					
skate park																					
adventure/challenge course																					
climbing wall																					
water park/aquatics center																					
Natural/landscape areas																					
small wild area																					
large wild area																					
significant wild area																					
display garden																					
community garden																					
nature center																					
arboretum																					
Buildings																					
pavilion/shade structure (possibly multiple)																					
shelter																					
programmable facility (may include shelter)																					
shelter with meeting room																					
community center																					
community gymnasium																					
arts center																					
dance studio																					
Gathering areas																					
seating area (small)																					
chess/picnic tables/bench/trash receptacle																					
gathering area (large)																					
picnic area with pavilion																					
picnic area with pavilion (programmed use)																					
Trails and paths																					
trail/path within park																					
trail/path connecting to constellation paths																					
trail/path linking constellations																					
exercise trail																					
community parkway																					
off-road bike trail																					
boardwalk																					
Special facilities																					
dog park																					
amphitheater																					
canoe launch																					
fishing pier																					
Support facilities																					
information kiosk/sign																					
identification sign																					
regulations sign																					
interpretive sign																					
storage/maintenance space																					
tree nursery																					
Parking																					
On-street parking																					
Multi-use parking area																					
Off-street parking lot																					
Planning status																					
Master plan in place																					
Concept plan created																					
Use projected by master plan																					
No plan
