

Have you ever wondered what happens to your recyclables?

- Find out by following the journey of a cereal box from the cart all the way back to the store shelf in our new 10-minute video.
- Get an exciting, up-close look at how materials are collected, then separated by machines and hard-working people into over a dozen categories and made into new products.
- Learn more about how recycling impacts our community, local economy, and the environment, and why everything you recycle makes a difference!

Call us or fill out the request form on the website to host a viewing party.

Thank you for recycling!

How to Recycle in ROSEVILLE

Wheel your recycling cart to the curb by 7 a.m. on your recycling day (or the night before) so the lid opens facing the street. The City of Roseville requires that recycling carts be stored out of view from the street on non-recycling days.

If a **holiday** falls during your recycling week, collections on and following the holiday will be delayed one day.
