An ongoing series of discussions to ensure Roseville is a community where people make connections amidst changing demographics

Traffic Stops

In 2017, the Roseville Police Department began collecting driver information on all traffic stops. Join Police Chief Rick Mathwig and Lt. Erika Scheider for a community meeting where they'll review the data, talk about what it means for policing in Roseville and respond to questions.

Visit www.cityofroseville.com/trafficstops for more information on the data collected and to review the data.
