

Knox Box Ordering

Below is a step-by-step process on how to order your Knox Box lock box. The Knox Box is the only UL listed available lock box on the market and is the safest option for your property. If you have any questions please call 651-792-7340 or email fireinspections@cityofroseville.com

All orders are processed online at www.knoxbox.com

1. When you visit the site click the BUY button. This page will show up. You can scroll down to choose Minnesota as the state and type in Roseville Fire Dept to the purchase the correct box.

Home / Department Search

Knox Online Store

To purchase, select your State/Province, then enter the name of your local department/agency.

* Selection of an incorrect department may result in a \$25.00 Re-key
