- C. The license application shall be made on forms provided by the City, and shall require, at a minimum, the owner's address and phone number, and proof of current rabies vaccination for the pet.
- D. Types of Licenses; Fees:
 - 1. Two-Year License. The two-year pet license shall be the minimum requirement of this Chapter. A two-year license shall be issued upon completion of the required application and payment of the required fee as established by the City Fee Schedule in Section 314.05 for a period of time not to exceed two years. As a condition of validity of an issued two-year license, the owner will maintain certification by a licensed veterinarian of the animal's current rabies vaccination. Two-year licenses must be renewed by the holder within 30 days of the expiration of the license. Renewal will be granted upon proof of current rabies vaccination and payment of the required fee as established by the City Fee Schedule in Section 314.05. Fees for two-year licenses shall be as established by the City Fee Schedule in Section 314.05, and at a minimum shall include differential fees based on the status of the animal as being non-sterilized, non-sterilized and electronically tagged, sterilized, or sterilized and electronically tagged, with generally higher fees for animals that are non-sterilized and not electronically tagged so as to provide incentive for sterilizing and electronically tagging animals.
 - 2. Lifetime License. Lifetime pet licenses shall be issued by the City for sterilized

animals as an alternative to two-year licenses. A lifetime license shall be issued upon completion of the required application, payment of the required fee as established by the City Fee Schedule in Section 314.05, and in the case of electronically tagged animals, registration with the City of the unique identifying information related to the electronic device and demonstration that the implanted device can be read by the City's equipment. As a condition to continued validity of an issued lifetime license, the owner will submit to the City every two years proof of the animal's current rabies vaccination. Fees for lifetime licenses shall be as established by the City Fee Schedule in Section 314.05 and at a minimum shall include differential fees based on the status of the animal as being sterilized, or sterilized and electronically tagged, with generally higher fees for animals that are not electronically tagged so as to provide incentive for the electronic tagging of animals.

Lifetime licenses may be revoked by the City without refund of fees paid if the animal's rabies vaccinations are not kept current. When a lifetime license has been revoked, a new lifetime license may be obtained through the procedures and with payment of the fees as established by the City Fee Schedule in Section 314.05.

3. Special Two-Year Multiple Dog License. Special two-year multiple dog licenses may be issued by the City for three or four sterilized dogs to be kept at a licensed premises upon completion of the required application and payment of the required fee, subject to the following conditions:

The Chief of Police may deny requests for renewal based upon complaints received during the preceding year. Denial of renewal may be appealed by written request for a hearing before the City Council, which must be submitted within ten days of the denial.

Fees for special two-year multiple dog licenses shall be as established by the City Fee Schedule in Section 314.05.

Special multiple dog licenses will not be granted for non-sterilized dogs, and will not be issued on a lifetime basis.

- E. Fee Adjustments. When a license is issued for an non-sterilized pet that is less than six months old at the time of issuance, and the pet is subsequently sterilized within three months of the issuance of the license, upon proof of the sterilization the City will refund the owner the difference between the fee paid for the license and the required fee for a sterilized animal.

Upon the written recommendation of a licensed veterinarian that due to age or health reasons the animal should not be sterilized, the City may in that case charge the license fee for a sterilized animal rather than that for a non-sterilized animal.

- F. Maintenance of current address. All license holders shall notify the City within ten days of any address change within the corporate limits of the City and any change of ownership of a licensed animal.

Whenever the prevalence of rabies renders such action necessary to protect the public health and safety, the Mayor shall issue a proclamation ordering every person owning or keeping a dog to confine it securely on their premises unless it is muzzled so that it cannot bite. No person shall violate such proclamation and any dog running at large during the time fixed in the proclamation may be destroyed by the police or designee without notice to the owner. 501.23: WILD ANIMALS:

- A. Purpose: It shall be unlawful to keep any wild animal within the City limits, except as permitted pursuant to the provisions of this Section.
- B. Definition: As used in this Section, the following term shall have the meaning ascribed to it in this subsection:
WILD ANIMAL: Any animal, mammal, amphibian, or reptile which is of a species which is wild by nature or of a species which, due to size, vicious nature or other characteristic is inherently dangerous to human beings. Examples of wild animals, without limitation, are:
1. Any large cat of the family Felidae, such as lions, tigers, jaguars, leopards, cougars and ocelots, except domesticated house cats.
 2. Any member of the family Canidae, such as wolves, hybrid wolves, coyotes, dingoes, and jackals, except domesticated dogs.
 3. Any crossbreed such as crossbreeds between dogs and coyotes, or dogs and wolves, but does not include crossbred domesticated animals.
 4. Any poisonous snake such as a rattlesnake, coral snake, water moccasin, puff adder or cobra.
 5. Any skunk, raccoon, fox or protected animal.
 6. Any bear, ape, monkey in excess of five pounds, or badger.
 7. Any other animal, bird or reptile which is commonly considered wild and not domesticated.
- C. Exceptions:
1. Any person desiring to keep an animal prohibited by this Section may apply for a permit from the City. Such permit may be issued for a period not to exceed 30 days and shall specify conditions under which such animals shall be kept; provided, however, that no such permit shall be issued unless such prohibited animal is being kept by a person keeping such animal for a public zoo as a volunteer or docent. A public zoo or other institution engaged in a permanent display of animals and any bona fide research institution or veterinary hospital may be issued a permanent permit provided applicable zoning requirements are met.
 2. Nonpoisonous snakes, domesticated birds, hamsters, mice, rabbits, lizards, spiders and other similar small animals capable of being kept in cages. Rats, if purchased from a bona fide pet store are an exception to this Section.
 3. Medically prescribed companion animals.
 4. Wildlife rehabilitators may only possess animals with a Minnesota Department of Natural Resources permit. Such animals will be kept in a manner as to not create unsanitary conditions or unreasonable noise.
 5. Birds and birds of prey if kept pursuant to a valid U.S. Fish and Wildlife Services permit.
- D. Impounding of Wild Animals: Any wild animal kept in violation of this Section may be impounded by the City. The animal may be destroyed or sold five days following notice to the owner of such animal of its impoundment and the provisions of this Section. Any person reclaiming any such animal shall pay the costs of impounding and boarding at the time of its release.
- E. Existing Wild Animals: Anyone keeping or maintaining any wild animal at the time this Section is adopted has thirty (30) days in which to comply with the provisions of this Section. (Ord. 1141, 6-13-1994)

501.24: OWNER OBLIGATION FOR PROPER CARE:

No owner shall fail to provide any animal with sufficient good and wholesome food and water, proper shelter and protection from the weather, veterinary care when needed to prevent suffering and with humane care and treatment. No person shall beat, treat cruelly,

torment or otherwise abuse any animal or cause or permit any animal fight. No owner shall abandon any animal. (Ord. 1078, 6-25-1990; amd. 1995 Code) (Ord.1355, 11-19-2007)

501.25: PET STORES:

The City Council finds that a significant number of puppies and kittens sold at pet stores come from large-scale, commercial breeding facilities where the health and welfare of the animals are not adequately provided for; and

The City Council finds that the documented abuses endemic to mass breeding facilities include over-breeding; inbreeding; minimal to no-existent veterinary care; lack of adequate and nutritious food, water and shelter; lack of socialization; lack of adequate space; lack of adequate exercise; no or limited screening of genetic diseases; inadequate transportation and shipping protocols of puppies and kittens; and indiscriminate disposal of breeding dogs and cats who have reached the end of their profitable breeding cycle; and

The City Council finds that inhumane conditions in mass breeding facilities lead to health and behavioral issues in the animals bred in those facilities, which many consumers are unaware of when purchasing animals from pet stores due to both a lack of education on the issue and misleading tactics of pet stores in some cases. These health and behavioral issues, which may not present themselves until sometime after the purchase of the animals, can impose exorbitant financial and emotional costs on consumers; and

The City Council finds that current Federal and State regulations do not properly address the sale of dogs and cats in pet stores, while the City of Roseville does not possess adequate resources to safeguard the health and well being of dogs and cats at the point of sale; and

The City Council finds that due in large part to pet overpopulation, numerous dogs and cats are euthanized. Restricting the retail sale of puppies and kittens is likely to increase demand from animal shelters and rescue organizations; and

The City Council finds that across the country, thousands of independent pet stores as well as large chains operate profitably with a business model focused on the sale of pet services and supplies and not the sale of commercially bred dogs or cats. Many of these stores collaborate with local animal shelters and rescue organizations to offer space and support for showcasing adoptable homeless pets on their premises; and

The City Council finds that this Ordinance will not adversely impact consumers' ability to obtain a dog or cat of their choice directly from an animal shelter, or breed-specific rescue organization, or from a breeder where the consumer can see directly the conditions in which the dogs or cats are bred or can confer directly with the breeder concerning those conditions; and

The City Council finds that it is in the best interest of the City of Roseville to adopt reasonable regulations to help prevent inhumane breeding conditions, promote community awareness of animal welfare, and foster a more human environment in the City.

A. No pet store shall sell, deliver, offer for sale, barter, auction, give away, or otherwise transfer or dispose of cats or dogs.

B. Nothing in this section shall prohibit pet stores from collaborating with animal shelters, animal rescue organizations, and animal control authorities to offer space for such entities to showcase adoptable dogs and cats inside pet stores. Such animals shall not be younger than 8 weeks old. Dogs that are showcased for adoption shall not be kept overnight at a pet store.

C. A pet store shall post and maintain a Certificate of Source in a conspicuous place on or within three feet of each dog's or cat's kennel, cage, or enclosure.

1. A Certificate of Source shall be provided to the adopter of any dog or cat.

2. Certificate of Source records for each dog or cat shall be maintained by a pet store for at least one year from the last date that a dog or cat appeared in the store.

3. Pet Stores shall make Certificates of Source immediately available for review upon the request of a peace officer or animal control authority, or a humane agent pursuant to Minnesota Statutes section 343.06 acting on behalf of the City.

4. Falsification of a Certificate of Source shall be deemed a violation of this section.

D. A violation of this section shall constitute an Administrative Offense under Section 102.01.C of City Code and subject the Pet Store Operator to the procedures and penalties contained therein. (Ord. 1519 03-13-2017)

501.26: ENFORCEMENT:

Any community service officer, reserve officer or police officer may enter upon private land where there is reasonable cause to believe this Chapter is being violated. (Ord. 1078, 6-25-1990) (Ord.1355, 11-19-2007) (Ord. 1453, 10-21-2013)

- 509.03: Definitions
- 509.04: Prohibited Acts
- 509.05: Exceptions
- 509.06: Enforcement
- 509.07: Severability

509.01: PURPOSE AND FINDINGS

The Roseville City Council intends to discourage underage possession and consumption of alcohol, even if done within the confines of a private residence, and intends to hold persons criminally responsible who host events or gatherings where persons under 21 years of age possess or consume alcohol regardless of whether the person hosting the event or gathering supplied the alcohol. The Roseville City Council finds that:

- A. Events or gatherings held on private or public property where alcohol is possessed or consumed by persons under the age of twenty-one are harmful to those persons and constitute a potential threat to public health requiring prevention or abatement.
- B. Prohibiting underage consumption acts to protect underage persons, as well as the general public, from injuries related to alcohol consumption, such as alcohol overdose or alcohol-related traffic collisions.
- C. Alcohol is an addictive drug which, if used irresponsibly, could have drastic effects on those who use it as well as those who are affected by the actions of an irresponsible user.
- D. Often, events or gatherings involving underage possession and consumption occur outside the presence of parents. However, there are times when the parent is present and condone the activity, and in some circumstances provide the alcohol.
- E. Even though giving or furnishing alcohol to an underage person is a crime, it is difficult to prove, and this Chapter is necessary to help further combat underage consumption.
- F. A deterrent effect will be created by holding a person criminally responsible for hosting an event or gathering where underage possession or consumption occurs.

510.02 CRIMINAL HISTORY EMPLOYMENT BACKGROUND INVESTIGATIONS

- A. The Roseville Police Department is authorized, as the exclusive entity within the City, to do a criminal history background investigation on applicants for the following licenses and full-time, part-time and volunteer positions with the City:
1. all licenses and positions that include work with children or vulnerable adults;

SECTION:

- 511.01: Purpose and Application
- 511.02: Definition of Nuisance Conduct
- 511.03: Repeat Nuisance Service Call Fee
- 511.04: Notice
- 511.05: Delinquent Payment and Fee Recovery
- 511.06: Enforcement
- 511.07: Right to Appeal
- 511.08: Legal Remedies Nonexclusive
- 511.09: Exceptions and Affirmative Defenses

511.01: PURPOSE and APPLICATION:

The purpose of this Chapter is to protect the public safety, health and welfare and to prevent and abate repeat service response calls by the City to the same property or location for nuisance service calls, as defined herein, which may prevent police, public safety, or other city services from reaching other residents of the City.

It is the intent of the City, by the adoption of this Chapter, to impose and collect service call fees from the owner or occupant, or both, of property to which City officials must repeatedly respond for any repeat nuisance event or activity that generates extraordinary costs to the City. The repeat nuisance service call fee is intended to cover cost over and above the cost of providing normal law or code enforcement services and police protection.

This Chapter shall apply to all owners and occupants of private property which is the subject or location of the repeat nuisance service call by the City.

This Chapter shall apply to any repeat nuisance service calls as set forth herein made by a City of Roseville employee, including a police officer, community service officer, firefighter, and/or code enforcement employee.

511.02: DEFINITION OF NUISANCE CONDUCT:

For purposes of this Chapter, the term "nuisance conduct" means any activity, conduct or condition occurring within the City that annoys, injures or endangers the reasonable safety, health, morals, comfort or repose of any member of the public, or will tend to alarm, anger or disturb others. Nuisance conduct includes but is not limited to the following:

- A. Any activity, conduct, or condition defined as a public nuisance under any provision of the City Code or Minnesota State laws;
- B. Any activity, conduct, or condition in violation of any provision contained in Title 4,5,6 or 9 of the City Code;
- C. Any conduct, activity or condition constituting a violation of Minnesota state laws prohibiting or regulating prostitution, gambling, controlled substances or use of firearms; and/or
- D. Any conduct, activity, or condition constituting disorderly conduct as defined under

511.03: REPEAT NUISANCE SERVICE CALL FEE

The City may impose a repeat nuisance service call fee upon the owner or occupant of private property if the City has rendered services or responded to the property on three or more occasions within a period of (365) days in response to or for the abatement of nuisance conduct. The repeat nuisance service call fee shall be as established by the City Fee Schedule in Section 314.052 of the City Code.

511.04: NOTICE

No repeat nuisance service call fee may be imposed against an owner or occupant (or both with the owner and occupant each being responsible for a separate repeat nuisance service call fee) of property without first providing such owner or occupant with written notice of the previous nuisance service calls prior to the latest nuisance service call rendered by the City upon which the fee is imposed. The written notice shall:

- A. Identify the nuisance conduct that has occurred on the property, and the dates of the nuisance conduct activity or condition;
- B. State that the owner or occupant may be subject to a repeat nuisance service call service fee if a third nuisance call is rendered to the property for any further nuisance conduct;
- C. State that the City has the right to seek other legal remedies or actions for abatement of the nuisance conduct; and
- D. Be served upon such owner and/or occupant by certified mail at the last known address of such person. Service of such notice shall be deemed complete upon mailing.

511.05: DELINQUENT PAYMENT and FEE RECOVERY

The repeat nuisance service call fee shall be due within thirty (30) days after a billing statement is mailed by the City to the owner and/or occupant of the property responsible for the payment of the fee at such person's last known address. If the fee is not paid within such 30 day period, it will be deemed delinquent and a ten percent (10%) penalty shall be added to the repeat nuisance service call fee. If the repeat nuisance service call fee becomes delinquent, the City shall have, in addition to all other remedies available at law or in equity for the collection of such fee, the following remedies:

- A. Seek a monetary judgment and collection thereof from such owner and/or occupant, or
- B. Assess the property which was the subject of the nuisance conduct pursuant to Minn. Stat. § 429.101.

Failure of a person to pay a repeat nuisance service call fee shall be grounds for the denial of a license which is related to the nuisance conduct for which the repeat nuisance service call fee was imposed.

511.06: ENFORCEMENT

The City Council authorizes the Police Chief, Fire Chief, or the Community Development Director, or their designees (collectively referred to herein as the "City Enforcement Officials"), to administer and enforce this Chapter.

511.07: RIGHT TO APPEAL

When the City mails the billing statement by certified mail for the repeat nuisance service

call fee, the City will inform the owner and/or occupant of their right to request a hearing.

The owner and/or occupant upon whom the fee is imposed must request a hearing within ten (10) business days of the mailing of the billing statement, excluding the day the statement is mailed. The request for a hearing must be in writing and mailed or hand-delivered to the City Manager's Office. The hearing will occur within fourteen (14) days of the date of the request. If the owner and/or occupant fails to request a hearing within the time and in the manner required under this Section, the right of such person to a hearing is waived.

The hearing shall be conducted by a hearing officer selected by the City Manager in an informal manner and the Minnesota Rules of Civil Procedure and Rules of Evidence shall not be strictly applied. After considering all evidence submitted, the hearing officer shall make written Findings of Fact and Conclusions regarding the nuisance conduct and the imposition of the repeat nuisance service call fee. The Findings of Fact and Conclusions shall be served upon the owner and/or occupant by certified mail within ten (10) days of the hearing.

If the owner and/or occupant fails to appear at the scheduled hearing, the right of such person to a hearing is waived and the repeat nuisance service call fee shall be payable in accordance with Section 511.05 above. If the hearing officer determines that the repeat nuisance service call fee is warranted, the person or persons responsible for the fee shall pay the fee within ten (10) business days following the date that the written Findings of Fact and Conclusions are mailed. If the repeat nuisance service call fee is not paid within said ten (10) day period, it shall be deemed delinquent and the provisions of Section 511.05 pertaining to delinquent payments shall apply.

511.08: LEGAL REMEDIES NONEXCLUSIVE

Nothing in this Chapter will be construed to limit the City's other available legal remedies, including criminal, civil, injunctive or others, for any violation of the law which may constitute nuisance conduct.

511.09: EXCEPTIONS AND AFFIRMATIVE DEFENSES

MEDICAL EMERGENCIES: Repeat nuisance service call fees shall not be imposed for any medical-related emergency response except for medical-related emergencies that are violations of Minn. Stat. Section 609.78 Subd. 4 (Misuse of 911).
