(Ord. 1155, 11-29-94)
- B. Compensation Requirements: Except as hereafter provided, it shall be a term and condition of any telecommunication permit issued in accordance herewith as a part of the consideration supporting the issuance of such telecommunication permit and the City's permission thereby to occupy and use the streets of the City, that the permittee shall pay each year to the City compensation and license fees as follows:
 - 1. Permit Request Fee: All applicants shall pay a permit request fee of three hundred dollars (\$300.00).

 - 4. Separate Permit Required:
 - a. Lines, cables or fiber optic cables of a private communications system, placed in a conduit or duct bank owned by another permittee or franchisee of the City shall require a separate telecommunication application and permit, subject to the same requirements as other installations, except the fee for the

additional telecommunications permit shall be one-half (1/2) the maximum allowed by law or one-half (1/2) of the otherwise applicable per linear mile fee for the portion of the pathway so utilized.

b. Lines, cables or fiber optics of a private communication system which are placed in a conduit or duct-bank owned by an entity not exempt by law or statute from the provisions of this article shall require a telecommunication permit, unless the franchise, or other authorization by which the exempt entity has the right to place the conduit or duct-bank within the City right of way prohibits the application of the permit and fee requirements contained in this Chapter to the lessee of space within the conduit or duct-bank.

5. Gross Revenue Fee: Any private communication system that serves customers and charges a fee for services provided by the private communications system within the City right of way shall pay in addition to applicable fees in (subsections A through D) quarterly, five percent (5%) of the total gross revenues from such customers to be calculated on the basis of all revenues derived from transmissions that bypass the local exchange carrier. The City may, at its option, adjust this permit fee each year or by an amount not exceeding the proportional cumulative increase in the Consumer Price Index published by the United States Department of Labor for Urban Wage Earners (1967=100%), since the initial establishment of this permit fee or since the most recent increase in the permit fee for any and all subsequent increases after the first increase, and only after a public hearing and at least twenty (20) days' notice to all permittees, except as hereinafter provided. The City may raise the permit fee more than the cumulative increase in the Consumer Price Index in the event there is competent evidence that the fee imposed by the City is below the norm of fees imposed by other cities within the S.M.S.A.

- C. Payment offers: The annual compensation and permit fee provided for in subsection B above shall be payable annually on or before October 1 of each calendar year for the portion of the private communications system within the City's right of way on January 1 of that year and a prorated permit fee, based upon the calendar quarter in which the application is filed, shall be paid at the time of the application for a telecommunication permit for all new portions of the system. Quarterly revenue fees are due January 1, April 1, July 1 and October 1.
- D. Late Payment Penalty: Fees not paid within ten (10) days after the due date shall bear interest at the rate of one percent (1%) per month from the date due until paid.
- E. Acceptance of Payment: The acceptance of any payment required hereunder by the City shall not be construed as an acknowledgment that the amount paid is the correct amount due, nor shall such acceptance of payment be construed as a release of any claim which the City may have for additional sums due and payable.
- F. Audit of Payments: All fee payments shall be subject to audit by the City and assessment or refund if the payment is found to be in error. In the event that such audit results in an assessment and an additional payment to the City, such additional payment shall, at the City's option, be subject to interest at the rate of one percent (1%) per month retroactive to the date such payment originally

should have been paid, which shall be due and payable immediately.

- G. Federal, State and Local Tax Liability: Nothing in this Chapter shall be construed to limit the liability of the permittee for all applicable Federal, State and local taxes.

The permittee shall obtain written approval from the Engineering Department and other appropriate City agencies before erecting any new poles or installation of any underground conduits where none exist.
- D. This shall apply to shelters constructed by Metro Transit only if the Council specifically determined to make this ordinance applicable to Metro Transit. The City may grant franchises to multiple persons during the term of this franchise, subject to the provisions of this ordinance regarding number and placements of such shelters, and locations as identified in the ordinance granting the franchise. Franchisees shall power-wash the shelters and sidewalks at least once each month, weather permitting.

Franchisees shall inspect each shelter a minimum of once a week, or more frequently and on an as needed basis, based on specific site needs for any damaged or broken parts or burned-out lighting fixtures and franchisees shall repair or replace damaged or broken parts and burned-out lighting fixtures within forty-eight (48) hours after they become aware of the damage, breakage, or burn-out, or at the time of weekly maintenance, whichever is sooner. (Ord. 1318, 04-11-2005)

1207.12: ADVERTISING:

Each transit shelter installed by franchisees shall contain panels for advertising displays as specified in the franchisee's proposal and ordinance granting the particular franchise. Such displays shall be used solely for advertising materials and/or public service announcements. Franchisees shall use their best reasonable efforts to obtain revenue-generating advertisements for the advertising display panels, except where unsold advertising panels shall be available for City use on a space-available basis, and the City will provide the posters to the Franchisee for posting in the shelters.

Advertising size and placement shall be as follows: The shelter signage may be up to two (2) four (4) feet by six (6) feet advertising panels in a 2-sided display affixed to the end wall of the shelter (or parallel to the road on a narrow right of way application) and perpendicular to the roadway curb or edge viewable from one or both ends of the shelter. Signage on shelters shall require permits as required by Chapter 703.05 of this code. (Ord.1349, 5-21-2007)

Except with respect to the quarterly fee payable to the City pursuant to Section 15 hereof, franchisees shall have the right to retain all revenues generated from the advertising displays on all transit shelters. Under no circumstances shall any

advertising display contain indecent or vulgar pictures, graphics or language or include advertising for any alcohol or tobacco products. Franchisees shall not display advertising relating to contraception, pornography, politics or religion. Franchisees shall remove within forty-eight (48) hours after their receipt of the City's written notification requesting such removal, any advertisements which the City in its reasonable discretion deems to be offensive to the Community, or in conflict with the City's health, safety and welfare concerns. In the event that a franchisee fails to remove such advertisements within such forty-eight (48) hour period, the City may remove the materials at the franchisee's sole cost and expense. (Ord. 1318, 04-11-2005)

1207.13: LOCATIONS:

Location of Transit Shelters: A franchisee shall erect transit shelters at those locations that are mutually agreed upon by the City and the franchisee, but only after a permit is approved by the Public Works Director. The Public Works Director shall determine the location of shelters based on need, and so as to assure that shelters do not unnecessarily impede pedestrian traffic, or line of sight and traffic safety. All transit shelters shall be erected on public rights-of-way, or private property with written authorization from the property owner(s), and shall be subject to all rules, regulations and ordinances governing the use of such rights-of-way. Prior to erecting any such shelters at any locations, the franchisee shall secure any necessary approval and/or zoning variance that may be required from any governmental entity. The Public Works and Transportation Commission will review site applications of the franchisee and hold a hearing for public input regarding proposed locations.

1207.14: ALTERATION OF SERVICES:

In the event that the City desires at any time to alter or change the nature or character of the services to be provided by the franchisee and such alteration or change materially increases the costs and expenses to be incurred by the franchisee or materially reduces the advertising revenues that can be generated by the franchisee, such alterations or changes shall not be effective until the City and the franchisee have mutually agreed to and executed an amendment to this Franchise Ordinance, which amendment may include an adjustment to the City's fee under Section 15 hereof.

1207.15: FEE FOR FRANCHISE-MINIMUM FEE:

In consideration of the award of the franchise by the City, franchisees shall pay the City a fee based upon the annual gross revenue collected that the franchisee derives from advertising on shelters located within the City in accordance with the terms of the ordinance granting the franchise and as follows:

Payments and a quarterly report on operations and revenue shall be made thirty (30) days after the close of each quarter of the year. The "gross revenue" as used in this ordinance shall mean all advertising revenue derived directly or indirectly by the franchisee, its affiliates, subsidiaries, a parent company or corporation or any person in which the franchisee has a financial interest, from or in connection with the operation of the franchise prior to any deduction; provided, however, that this shall not include any taxes on

services furnished by the franchisee herein imposed directly upon any advertiser by the City, state or other governmental unit and collected by the franchisee on behalf of said governmental unit.

1207.16: ACCOUNTS & RECORDS:

A franchisee shall keep books of accounts and records of all transactions and costs incurred in connection with the purchase, manufacture and installation of the shelters and advertising on shelters, showing all financial transactions including receipts and disbursements and the particulars thereof in a form satisfactory to the City of Roseville Finance Director. Such books and records shall be available to the City for inspection any time during normal business hours upon forty-eight (48) hours prior written notice thereof to the franchisee. All such books and records shall be retained by the franchisee for a minimum of five (5) years.

Franchisees shall file annually with the City no later than one hundred twenty (120) days after the end of the franchisee's fiscal year, a copy of a financial report applicable to the Roseville Transit Shelter System, including an income statement relating to its operations during the fiscal year and a balance sheet, both of which shall be certified as correct by an independent certified public accountant, and a statement of its properties, equipment and facilities which are located upon the streets, highways and public places within the City giving its investment in such facilities on the basis of original cost, less applicable depreciation. These reports shall be certified as correct by an authorized officer of the franchisee and shall be submitted along with such other reasonable information as the City shall request with respect to the franchisee's facilities and expenses related to its transit stop shelter system operations within the City.

Franchisees shall also file with the City Manager copies of their articles of incorporation, bylaws, agreements with any other person relating to the ownership of the transit stop shelter system, and amendments of such documents as they become effective.

1207.17: INSURANCE AND SECURITY:

Franchisees shall procure and maintain at their own cost the following insurance coverage:

- a) Workers compensation insurance in accordance with the Minnesota Workmen's Compensation Act.
- b) Commercial general liability insurance with minimum limits of \$150,000 per person and \$1,000,000 per occurrence.
- c) Comprehensive automobile liability insurance with minimum limits for bodily injury and property damage of \$150,000 per person and \$1,000,000 per occurrence.

The foregoing insurance coverage shall be procured and maintained with insurers that are reasonably acceptable to the City. The liability insurance policies shall be endorsed to include the City as an additional insured. If the above limits are less than those specified in Minn. Stat. Ch. 466 as the liability limits of a municipality,

the higher limits shall apply.

The policy shall be of type in which coverage is restored immediately after the occurrence of any loss or accident from which liability may thereafter accrue. The policy shall contain an endorsement which shall provide that no cancellation shall become effective without thirty (30) days' prior written notice to the City of intent to cancel or not to renew. In the event such insurance is cancelled and the franchisee shall fail to immediately replace it with another equivalent policy, the City may terminate their franchise and declare it to be forfeited.

1207.18: INDEMNIFICATION:

Franchisees shall defend, indemnify and hold harmless the City, its officers, agents, representatives and employees from and against all liability, claims, demands and expenses (including court costs and reasonable attorneys fees), on account of any injury, loss or damage, arising out of or in connection with construction, operation, maintenance, location, or removal of any transit stop shelter owned by franchisee. (Ord. 1318, 04-11-2005)

1207.19: CITY RESPONSIBILITIES:

The City shall provide franchisees with all available information (including the location of road right-of-way and utilities) which is relevant to the Transit Shelter Program together with the necessary guidance and direction to achieve the Program's objectives. In consideration of the City's use of the transit shelters at no cost, the City hereby assures access to and use of the nearest electrical power and waives all permit and use fees for each transit shelter covered by this Ordinance. Provided that each transit shelter complies fully with the provisions of this Ordinance and all applicable provisions of the City's Municipal Code, all necessary permits for the installation and/or maintenance of the transit shelters shall be granted by the City. The process for obtaining such permits shall be expedited by all city departments to assure that shelters are installed within one hundred eighty (180) days.

1207.20: RESERVED:

1207.21: ASSIGNMENT OR TRANSFER:

A franchisee shall not assign or transfer its rights, duties and obligations under the franchise, in whole or in part, without first obtaining the written consent of the City, provided, however, that the City's consent shall not be required with respect to any assignment by the franchisee to any person or entity that controls, is controlled by, or under common control with the franchisee or which merges with or into the franchisee or acquires substantially all of the assets of the franchisee.

1207.22: PERFORMANCE BOND OR OPTIONAL LETTER OF CREDIT:

A franchisee shall post with the City a performance bond guaranteeing its performance of the obligations of the franchise, as created by this ordinance, and the ordinance granting the particular franchise. The amount of the bond shall be as specified in the Ordinance granting the particular franchise. The bond shall be issued by a company licensed to do business in Minnesota, and shall be in a form

acceptable to the City Attorney. In lieu of the performance bond the franchisee may elect to give the City an irrevocable letter of credit in the bond amount issued by a bank in the metropolitan area. The letter of credit shall provide that it may be drawn upon under the same circumstance as a surety would be subject to a claim under its performance bond, except that the letter of credit shall be subject to a draw without any previous demand upon, or notice to the franchisee. The letter of credit shall also be subject to a draw if it is effective for a limited term and is not replaced by a replacement letter of credit at least thirty (30) days before expiration. The letter of credit shall also be in a form approved by the City attorney and shall be on file with the City Manager and remain so until three hundred sixty-five (365) days after the expiration or termination of the franchise. The City shall give the Franchisee seven (7) days' notice of its intent to draw on a letter of credit.

1207.23: REMOVAL OF SHELTER:

Franchisees shall within thirty (30) days after receipt of written notice from the City remove any transit shelters that are located at discontinued transit stop sites or which the City reasonably determines are in condition of substantial disrepair or deteriorated condition such as to pose a health or safety hazard or diminution of value to the abutting properties. Additionally, franchisees shall relocate any transit shelters within thirty (30) days after their receipt of a written request to do so by the City as a result of redevelopment, traffic hazards or changes in bus routes. Any such relocation of a transit shelter shall be to a location mutually agreeable to both parties, but only after issuance of all necessary permits by the Director of Public Works.

1207.24: PUBLIC WORKS TO REGULATE INSTALLATION:

The Director of Public Works shall regulate the installation of transit shelters and if, in the opinion of the Director of Public Works, a shelter installation is hazardous, the Director may order a franchisee to take necessary steps at its own cost to remove or relocate the shelter or make the necessary repairs to correct the hazard. The Director of Public Works shall have the right to conduct reasonable inspections of shelters for this purpose.

In regulating the installation of shelters, the Director of Public Works shall regulate the size of shelters installed, its orientation or placement on the site, and any preparatory or remedial site work. When the City has approved a location plan, a franchisee shall submit detailed amended plans showing any discrepancies between the site plan approved and the work completed.

1207.25: FORFEITURE:

- A. The City shall, in addition to any other rights it may have, have the right to declare that a franchisee has forfeited a franchise in the event of a substantial breach of its terms and conditions, including, but not limited to, the following circumstances:
- (1) If the franchisee becomes insolvent or is declared bankrupt or makes any assignment for the benefit of its creditors; and
 - (2) If the franchisee assigns or transfers or attempts to assign or transfer the franchise, or sells or leases or attempts to sell or lease any of its shelters without the Council's permission; or

- (3) If the franchisee fails to install shelters on schedule as required by this Franchise Ordinance or the grant of the particular franchise, or fails to conform to the specifications contained in its application or the invitation for applications, or fails to construct the shelters in a workmanlike manner to the satisfaction of the Director of Public Works and in conformity with City ordinances and codes, or if the franchisee refuses or neglects when so ordered to take down, rebuild or repair any defective or unsatisfactory work or to maintain the shelter as required herein; or
- (4) If the franchisee fails to remove any shelter when ordered to do so in accordance with this ordinance; or
- (5) If the franchisee refuses or neglects to comply with any reasonable order of the Director of Public Works; or
- (6) If the franchisee persists in any course of conduct in violation of any of the provisions of this ordinance; or
- (7) If the City receives notice of intention not to renew or the franchisee fails to keep in force its insurance, required herein.

B. The Director of Public Works may make a written demand by certified mail that a franchisee comply with any such provision, rule order or determination under or pursuant to this franchise. Such notice shall be entitled "Forfeiture and Termination Notice." If the violation by the franchisee continues for a period of thirty (30) days or more following such written demand, without having been corrected or remedied, the matter of forfeiture and termination of the franchise shall then be taken before the City Council. The City shall cause to be served upon the franchisee at least twenty (20) days prior to the date of such Council meeting a written notice of intent to terminate the franchise, including the time and place of the meeting. Public notice shall be given of the meeting and the issue which the Council is to consider. The City Council, or a committee thereof, shall hear and consider the issue and the Council shall, in its discretion, determine whether there has been a substantial breach. If the Council determines that there has been a substantial breach, the franchisee shall have such period of time as the Council may set, but not less than thirty (30) days in which to cure the substantial breach; provided, that no opportunity for cure need be given for fraud or misrepresentation or for circumstances which may immediately adversely affect the public health, safety or welfare. At the expiration of the period of time set for compliance, the Council may terminate the franchise forthwith upon finding that the franchisee has failed to cure the breach.

C. Unless otherwise approved by the City, upon termination of this franchise, the franchisee shall remove all transit shelters and support equipment and apparatus installed by it pursuant to this Franchise Ordinance, within sixty (60) days of termination. However, the Director of Public Works may grant permission to the Franchisee to leave all or any portion of the infrastructure on terms and conditions established by the Director. If, after ninety 90 days of the termination date, the franchisee has not removed all equipment and facilities that may be located along, over or under any street or highway within the City, the franchisee shall forfeit said improvements to the City. The performance bond or letter of credit posted in accordance with Section 22 shall remain posted to insure that the streets, highways and public places

from which such equipment is removed shall be placed in good condition.
(Ord. 1318, 04-11-2005)

1207.26: DISPOSITION OF SHELTERS ON EXPIRATION OF FRANCHISE:

- A. In the event that the franchise expires and is not renewed, the City may purchase the shelters and facilities then in place upon such terms and for such consideration as may be agreed to by the City and the franchisee prior to the expiration of the franchise. If prior to the expiration of the franchise or within ninety (90) days following such expiration the City elects to award a franchise to any other person or company, and the City elects to have the new franchisee operate and maintain the shelters which have been installed pursuant to this franchise, then the new franchisee shall purchase such shelters on such terms and for such consideration as may be agreed to by the new franchisee and the prior franchisee.
- B. Notwithstanding the provisions of paragraph A of this section, in the event that the term of this franchise expires and the City and franchisee have not renewed the franchise for an additional term, the franchisee shall at its own expense remove all of the shelters and facilities which it has installed or caused to be installed upon or below the public streets and highways or public places of the City and shall restore the streets and highways of the City to their former condition in a manner satisfactory in the judgment of the Director of Public Works. If the franchisee fails to remove all such shelters and facilities within ninety (90) days after the expiration of the franchise, the City may have the shelters and facilities removed and require the franchisee to pay the cost of such removal. In the event that the shelters and facilities have not been sold pursuant to paragraph A of this section or removed by the franchisee, all right and title to the shelters shall be deemed to have passed to and vested in the City. The franchisee agrees that in such circumstances it will execute such documents as the City Attorney may require to transfer the title to such shelters and facilities.

1207.27: NONDISCRIMINATION:

The franchisee, its agents, employees, contractors and subcontractors shall at all times comply with the provision of the City of Roseville Code and applicable state and federal law regarding nondiscrimination and civil rights in connection with its services provided pursuant to this Franchise Ordinance. (Ord. 1324, 08-08-2005)

1207.28: SEVERABILITY:

If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portions thereof.

1207.29: INCORPORATION IN ROSEVILLE CITY CODE:

This Ordinance shall be deemed a part of the Roseville City Code and shall be incorporated therein as Appendix Chapter 1207.
