

### Watering Restrictions Violation Notification - Please Read Carefully

The City of Roseville has a mandatory odd/even-watering ban currently in effect. The City's policy is to restrict the use of outdoor water usage through the use of an odd/even system. The ordinance prohibits outdoor water usage between 12 PM and 6 PM on any day.

#### ODD-EVEN OUTDOOR WATER USAGE

**Odd** numbered addresses may water on **odd** calendar days only, but not between 12 PM and 6 PM.

**Even** numbered addresses may water on **even** calendar days only, but not between 12 PM and 6 PM.

The day *Begins at midnight and ends at midnight.*

**Property Address:** \_\_\_\_\_

You have received this violation notice because city staff observed outdoor water usage at the property listed above during a restricted time. Penalties for non-compliance of any of the above mandated restrictions are:

FIRST VIOLATION – Warning

SUBSEQUENT VIOLATIONS – Subject to \$100 fine

CONTINUED VIOLATIONS – Subject to suspension of water service

Please take an active role in conserving our water resources. High-demand periods are hard on the water system, as well as our water resources. If Roseville residents do their part and follow the odd/even outdoor watering schedule, the City's water system will be better able to provide water without further watering restrictions.
