Please Share Your Comment, Question or Concern: Greetings! I am writing to give the City Council a brief history of the water ski course & jump prior to the public hearing in hopes of minimizing the time needed to address our request.

- The Lake Owasso Safe Boaters Association is a group of lakeshore owners and other city residence that promote safe and recreational boating on Lake Owasso.
- The ski course and ski jump were first installed in 1965
- The locations are determined by summer time prevailing winds which promote calm water
- Start times are self imposed at 7:30 am weekdays & 8:30 am weekends to promote good will with our neighbors(MN DNR law states that the hours for water skiing are prohibited between 1 hour after sunset to sunrise of the following day)
- We have a rich history of safety, fun and competition. There are several nationally ranked skiers from Lake Owasso. Over 3 generations of skiers have learned to ski competitively on our lake.
- Our group volunteers time, boats and fuel to support The Courage Center and their adaptive waterski program which takes place on Wednesday evenings throughout the summer
- We maintain the course and provide the requested insurance coverage at no cost to the City
- We have never had an injury accident associated with the ski course or jump
- This final note of interest: due to economic and other factors, we will not be placing the jump on Lake Owasso again this year.

Please contact me with any questions. I look forward to seeing you all at the public hearing on 2/28

Thank you.
