

# Advanced Directives: Spotlight on Health Care Agents

Have you ever wondered what will happen if you become incapacitated?

What care decisions may your loved ones face?

This seminar will provide you with the critical components of an advanced health care directive and provide training to individuals that may be appointed as your Agent.

Speakers:

Brenna M. Galvin, J.D.

Maser, Amundson, & Boggio, P.A.

Deborah Day Laxson, author, national speaker

“The Gray Zone: When Life Support No Longer Supports Life.”

Health Care Agent Literacy Project, founder

Minnesota Palliative Care Advisory Council, member
