Place of Worship/Small Business Recycling Opt-In

Roseville's single sort recycling program offers recycling collection to all single and multi-family properties once every other week. In order to promote recycling in other organizations, Roseville allows places of worship and small businesses to opt into the recycling program. To do so, the property must be able to have recyclables collected in 95-gallon recycling carts. The cost for recycling is directed by the City Council and can be found on the Finance Department's webpage, under the Utility Billing section. Properties can receive up to two 95-gallon carts at the current residential quarterly rate, and additional carts are available at an additional charge. Properties can opt-in and cancel at any time. Please note that the fee is subject to change.

Name of Organization: _____

Place of Worship

Small Business

Contact Name: _____

Address: _____

Telephone Number: _____ Email Address: _____

Would you like the quarterly fee to be (circle one): Invoiced Added to your Utility Bill
