St. Anthony Park Area Seniors

Join us for our Lunch Bunch!

Are you tired of physical distancing and would like to get together with other seniors?

St. Anthony Park Area Seniors is inviting ALL seniors to come to our **virtual** lunch outing, our Lunch Bunch.

We meet during the noon hour to meet each other, check in, play a conversation game and watch something pleasant on the screen. Participants can Zoom in on regular telephones or on devices that connect to the internet.

Our next Lunch Bunch is coming up on July 29th at noon.

Lunch Bunches are scheduled every two weeks. Check the website www.sapaseniors.org for the next ones.

Seniors outside of our regular service area are welcome to join in too!

Call our office at 651-642-9052 to find out how to join in.

BINGO

St. Anthony Park Area Seniors has developed a BINGO for seniors (60+) to play during this time of isolation. A Microsoft Excel (fillable) card and a PDF version of the card can be found on the St. Anthony Park Area Seniors website at: https://sapaseniors.org/programs_events .

Complete a BINGO for a chance to win a \$15 gift card from Speedy Market.

Directions are on the card. We look forward to hearing from you by July 24th!

For more information about programs for seniors offered by St. Anthony Park Area Seniors check out our website: www.sapaseniors.org

Ramsey County Library

Ramsey County is committed to providing efficient, effective and equitable operational approaches during the COVID-19 pandemic.

Summaries of modified services at Ramsey County Library began Monday, March 23 and are outlined here:

https://www.rclreads.org/news/rcl-closed-faq/?_ga=2.141265010.1567730388.1587309479-1356431967.1511980315

Memory Minders Kits from Ramsey County Library - Free three-week checkout

Memory Minders Kits are special kits for caregivers who are caring for people experiencing memory loss. They are available at the Ramsey County Library locations in Roseville and Shoreview.

The kits contain materials used to spark memories, create conversations and provide positive and engaging interactions between clients and their caregivers. Kits are divided into high, middle and low activity levels.

Each kit is unique and features a variety of items such as:

- An interactive activity for those with memory loss (puzzle, bingo, games or conversation cards).

- A book with color illustrations created for individuals with memory loss.
- A CD with music to soothe and spark memory.
- A Caregiver's Guide to Dementia by Laura Gitlin, which explores use of activities and other techniques to prevent, reduce and manage behavioral symptoms of dementia.

The majority of kits are for people living with Alzheimer's disease, but there are kits for people with Lewy Body Dementia and children who have contact with someone with dementia.

Currently, over 100 unique Memory Minders Kits are available for check out three weeks at a time. They are also renewable and can be requested via the Ramsey County Library catalog.

Find them on the rclreads.org website

here:https://rclreads.bibliocommons.com/v2/search?query=memory%20minders%20kit&searchType=smart&_ga=2.115575622.1567730388.1587309479-1356431967.1511980315

You can access them the same way as books--curbside or home delivery if you are homebound. You must be a resident of suburban Ramsey County to qualify for home delivery.

To request a particular kit, call the library. Staff will pull the kit for you, check it out and put it outside when you arrive.

You can also still request them via our online catalog.

As a third option, you are always welcome to talk to a reference librarian to find out what is still on the shelf.

Arthurs Memory Café

Arthur's Memory Café meets virtually the 2nd & 4th Wed each month. We start at 1pm and will go for an hour or two depending on the need of the group that attends. These will be zoom meetings (video conferencing) and people could attend by phone if they don't have a computer, iPad or smart phone which has a camera and microphone. Contact: Lori La Bey at 651-748-4714 or email Lori@AlzheimersSpeaks.com.

2nd Half with Lyngblomsten Caregiver Resources & Support

Caregivers who are caring for persons with dementia can receive daily emails that contain resources and activity suggestions to use during this time of social isolation.

If you would like to receive this email, please contact us at (651) 632-5320.

House of Memories - My House of Memories app

The easy to use ***My House of Memories: US*** app is free and allows you to explore objects from the past and share memories together. It can be used by anyone, but has been designed for, and with, people living with dementia and their caregivers.

The app has pictures of objects from across the decades, which are brought to life with sound, music and descriptions, and provide an easy-to-use way to help people living with dementia explore things that resonate with them. You can browse the objects, which include everyday things such as a Tinkertoy set, a concert ticket, and a pair of Converse All Stars and you can save your favorite objects to a digital memory tree, box, or timeline. The app has a “My Memories” feature, which enables users to upload their own photos to share precious personal memories with the people they care for living with dementia.

Download the free My House of Memories app:

Sharing Our Stories Call Trees

Sharing Our Stories Call Trees are groups of people who once a week call another participant and are, in turn, called by another participant. We will assign people to a group and share the names and phone numbers with just the people in their group. Each group is limited to 6 participants.

Each week, the Sharing Our Stories Call Tree uses a story prompt like, “How did you come in live in the Twin Cities?” as a place to start a conversation. Sharing stories from our lives is powerful and life affirming.

This will be an on-going project as long as it helps fill the need we all have for socializing and deepening friendships. Participants are asked to commit to making their calls for at least 4 weeks.

We all have life stories to share and a deep desire to hear stories from others. Sharing stories from our lives is not just giving our opinion about something-it is letting people know more about us and what shaped our lives-and often sharing a good laugh!

Our hope is that after the threat of the coronavirus has subsided, we can gather and celebrate sharing our stories in community.

This program is run by East Side Neighborhood Services, Minneapolis.

To learn more, please contact us at VitalLiving@esns.org or call 612-787-4086.

Well-Connected

Well-Connected is a FREE phone-in classroom/support group/check-in service. They have armchair travel, arts, conversation, fun & games, good reads, health & wellness, languages, museums at home etc. This looks to be an excellent resource for folks who are more likely to do well using the phone than internet technology.

Covia hosts these virtual conversation and classes. People can volunteer to teach a class for community groups members.

<https://covia.org/services/well-connected/>

Mather Institute Telephone Topics

Hosts hundreds of virtual conversations and classes to provide interaction for people who may be lonely or isolated.

<https://www.mather.com/neighborhood-programs/telephone-topics>

Simple Activities you already know how to do!

-go on a walk or spend time outside

-do a puzzle or Rubik's cube

-look at pictures of puppies, kittens, or other cute and happy animals--maybe print these off and hang them up!

-video chat (or phone call) with friends and family regularly. Now is a great time to catch up with someone you haven't talked to in months or years

-coloring books!

-go through your camera roll and find your favorite pictures--create and order a photo album online--or email to people you think would enjoy them

Improving Health and Quality of Life: Juniper's Evidence-Based Programs

Juniper provides evidence-based health management programs through a large number of regional partnerships across Minnesota.

Evidence-based programs are proven to promote health and prevent disease among adults with chronic health conditions. Juniper programs have been developed using rigorous research and demonstrate reliable and consistently positive changes in important health-related outcomes among participants.

You can participate through Zoom. Programs are free - donations are appreciated. Here is a sampling of some of the programs offered:

A Matter of Balance

A Matter of Balance emphasizes practical strategies to reduce fear of falling and increase activity levels. Participants learn to view falls and fear of falling as controllable, set realistic goals to increase activity, change their environment to reduce fall risk factors, and exercise to increase strength and balance.

Tai Ji Quan – Moving for Better Balance

This program helps older adults improve their balance and reduce the likelihood of falling. Participants learn balance skills, good body alignment, and coordinated Tai Ji movements.

Stepping On

Stepping On offers participants a way of reducing falls and at the same time increasing self-confidence in situations where they are at risk of falling. It covers a range of issues, including falls and risk, strength and balance exercises, home hazards, safe footwear, vision and falls, safety in public places, community mobility, coping after a fall, and how to initiate a medication review

Stay Active and Independent for Life (SAIL)

SAIL is a strength, balance and fitness program for adults. This class is designed to reduce the risk of falling by teaching participants how to perform exercises that improve strength, balance and fitness

Arthritis Foundation Exercise Program

Arthritis Foundation Exercise Program is a group exercise class for people with arthritis who want safe ways to stay active, reduce pain, and move more easily. Participants learn from a trained instructor on how to deal with challenges like pain that keep them from staying active. Participants will practice stretching, breathing, endurance, and balance activities tailored for their ability and skill level. AFEP can help control pain, boost energy and mood, and increase confidence about staying active and managing arthritis

Complete information about courses, including dates and times, are available by clicking [here](#).

YMCA 360 ON-DEMAND CLASSES

Stay connected and active, even if you can't visit the Y. The program will be accessible to both YMCA members as well as the general public for the foreseeable future.
