- All leagues comply with MDH and CDC requirements.
- Each league will have a safety plan available to players and managers addressing league specific information. All teams are required to comply with their sport's safety plan.
- Specific arrival and departure procedures have been established for each league. Please review and follow the guidelines for the league you are attending.

Refunds/Credits

- If a league is canceled by Roseville Parks and Recreation, teams will receive a full or prorated refund in the form of a credit. Refunds will be made at the conclusion of a league. Players

- Players are responsible for pre-screening for COVID-19 symptoms prior to arriving to a league. Players who have any COVID-19 symptoms **MUST NOT** attend games/matches.
- **Symptoms** of COVID-19 can include cough, shortness of breath, fever, chills, headache, muscle pain, sore throat, or loss of taste or smell. Other less common symptoms include gastrointestinal symptoms like nausea, vomiting, or diarrhea. These symptoms may appear 2-14 days after you are exposed to the virus that causes COVID-19. Not everyone with COVID-19 has all of these symptoms, and some people may not have any symptoms.

Talk to your health care provider if you have questions or concerns about symptoms.
