PROGRAM NAME: Winter Adult Volleyball League

Program Supervisor: Josh Thygesen, 651-792-7105, josh.thygesen@cityofroseville.com

ASSUMPTION OF RISK

The novel coronavirus (COVID-19) has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. With guidance from the MDH, Roseville Parks and Recreation Department has put in place preventative measures to help reduce the spread of COVID-19, however the Department cannot guarantee that individuals will not become infected with COVID-19. Participation in Department activities could increase the risk of contracting COVID-19.

Note: By participating in this league, you may be considered to have close contact with players on your team, according to the Minnesota Department of Health. This may result in quarantining if a person on your team or the opposing team tests positive.
