

# Summer Spectacular

Summer Spectacular and Summer Spectacular Plus are action-packed, all day, all summer camps for kids ages 5-12 that boast an exciting line-up of engaging, age-appropriate activities and adventures led by enthusiastic, well-trained staff.

## What is the difference between Summer Spectacular and Summer Spectacular Plus?

**Summer Spectacular** is an engaging, action-packed day camp for youth ages 5-8 years. Our experienced, welcoming staff takes the time to get to know your child and plan a fun-filled summer around their interests and abilities. Between exploring the outdoors and creating works of art, everyone is sure to have a great time.

**Summer Spectacular Plus** is an all day camp for the older camper looking for the perfect blend of excitement and adventure! Campers ages 9-12 years old are invited to join our experienced staff as they improve sports skills and make new friends.

### Great variety:

Summer Spectacular and Spectacular Plus includes but is not limited to activities such as creating tasty treats in cooking demonstrations, sport specific instruction, playing large group and playground games, visits from special guests and more. All activities are based on age-appropriate themes and tailored to meet the interests of the participants. Schedules vary weekly and will not include all of the activities each week. Please note for summer 2021 that field trips and beach days will be dependent on current MDH and CDC guidance. Parent/Guardians will be notified prior to any trip scheduled.

### Awesome Staff:

Summer Spectacular and Summer Spectacular Plus is your local answer to a quality summer experience. The experienced, well-trained staff will get to know your participant and make sure they are safe and having fun every day, all summer. We keep our staff-to-camper ratio low so campers get one-on-one attention each day.

### Registration Opens:

All summer option, Summer Kick-Off, Good-Bye to Summer, Back-to-School Bash and Friday options registration opens on **April 6**. Individual session registration opens on **April 19**.
