OCCUPANT /TAXPAYER

RE: County Road B Reconstruction – Neighborhood Meeting #3

Dear Resident/Property Owner:

The City of Roseville is planning to reconstruct County Road B between Eustis Street and Cleveland Avenue in 2024. Work on this project will involve a complete reconstruction of the roadway, pathway, storm sewer and other utilities.

With County Road B no longer connecting to TH 280, this reconstruction project presents an opportunity to change the cross section of the roadway to better fit the needs of the neighborhood. The City plans to discuss the overall cross section of roadway, including lane widths, on-street parking, pathways, curb and gutter and drainage with the neighborhood at an upcoming meeting.

When: 5:30 p.m. on Tuesday, August 16, 2022

Where: City Hall Council Chambers – 2660 Civic Center Drive, Roseville MN 55113

What: Neighborhood meeting to discuss road and pathway improvements

Meeting participants are encouraged, but not required, to wear face coverings inside City buildings. City staff will be in attendance to present information about the reconstruction project and answer any questions you may have. The project webpage will have a copy of the presentation for anyone who cannot attend the meeting, along with preliminary project information and staff contacts: www.cityofroseville.com/ctyrdB

This project will be funded by local street funds (city taxes), municipal state aid funds (gas tax), utility funds, and assessments to private property owners. Project cost and assessment amounts will be known when the overall project scope is finalized. Additional meetings will be held prior to construction, including the assessment hearing and ordering of the project.

If you have any questions or comments on the road reconstruction project, please contact Jesse Freihammer or Stephanie Smith.

Sincerely,

Jesse Freihammer, P.E.
