Ordinance Notification for Business License Form

Under Minnesota state law, cities must provide a 10-day notice of proposed ordinances. The law applies to new proposed ordinances and proposed amendments to existing ordinances. A recent change in the law further requires cities that have an electronic notification system to inform prospective business license applicants that they can opt-in to receive these notifications. If you opt-in, you will receive notifications of all proposed ordinance changes regardless of whether or not they impact your business.

To receive email and/or text notification of proposed ordinances and proposed amendments to existing ordinances, visit the City's Notify Me page at <http://www.cityofroseville.com/List.aspx>. Sign in with a valid email address and click one or both of the notification icons next to Proposed Ordinances to begin receiving notifications.
